Premium Collection 2020

We are not necessarily the best,
But we must try to do better...

Regarding our

QUALITY CONTROL

Through our partnered production plants in Vietnam, Malaysia & China for sole-EXCLUSIVE Product Range, we control quality and service for each individual shipments. Our team ensures that all products are manufactured according to your specifications in compliance with international quality standards. We make available full product specs necessary for any commercial and residential projects.

TOTAL CUSTOMER-ORIENTED SERVICE

Our cooperated manufacturing plants has more than 20 years established in worldwide market expertised in provide customised product services. Our success in this competitive market has been based on understanding the high level of customer service, continuous monitoring and product quality assurance that the international market demands.

INTERNATIONAL DESIGN

Our cooperated factories enhanced with Spain Technology, of which based the design of their products in the modern Mediterranean decor. We're in tune with the latest European trends in interior decoration and implement our designs through our marketing and brand development department located in Castellon, Spain,

Cement Power
Cement design has
been created to add
dimension,
distinctiveness and
versatility to homes,
commercial and
showpiece spaces
with decorative
intentions.

The textures and
randomness of
Brooklyn
aesthetically
enhances through
the high definition
printing, marking its
genuineness and
naturalty as
paralleled to original
raw concrete slabs.

Natural Life

Wood design used at home are the ones that remind us how close to nature each one is - they came from big trees that were once part of mother nature and now belong to us - the homeowners.

Today, we will be seeing homes that use a part of those trees to their houses. An essential element of house that definitely create tranquility and soothing environment in our beloved living areas.
